Story test by Dalton Grant

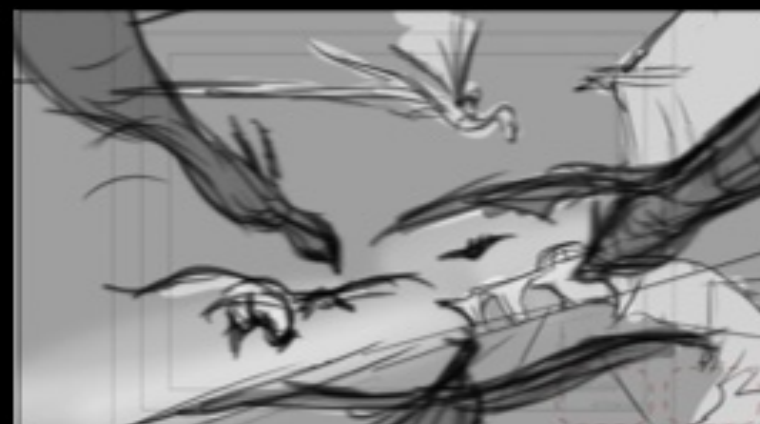

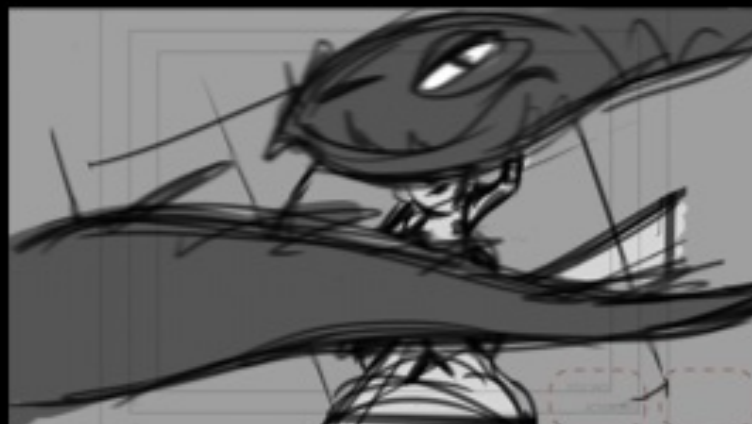

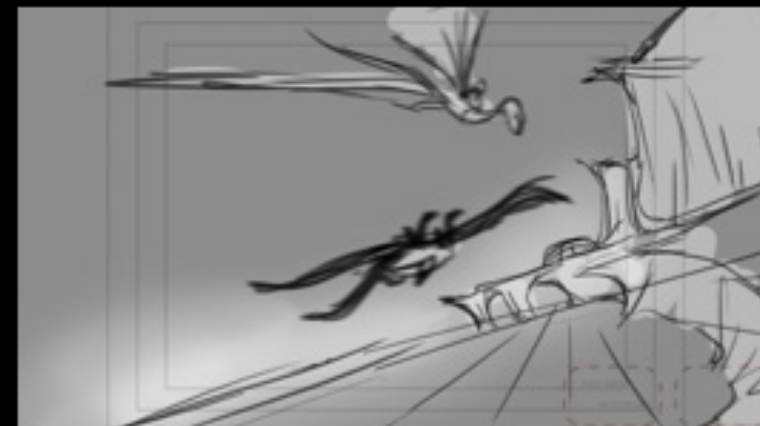

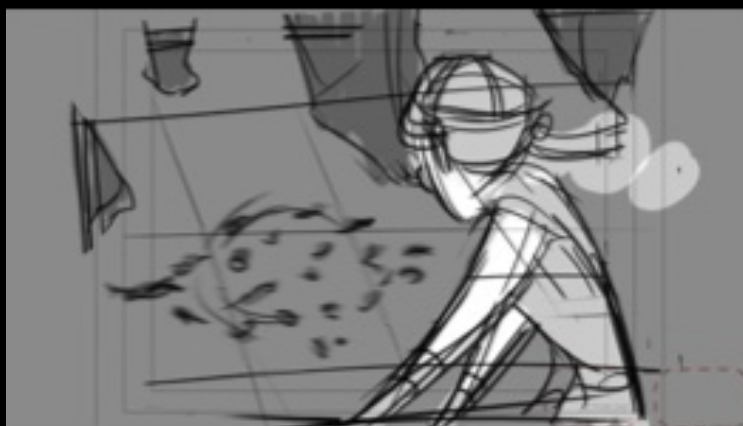

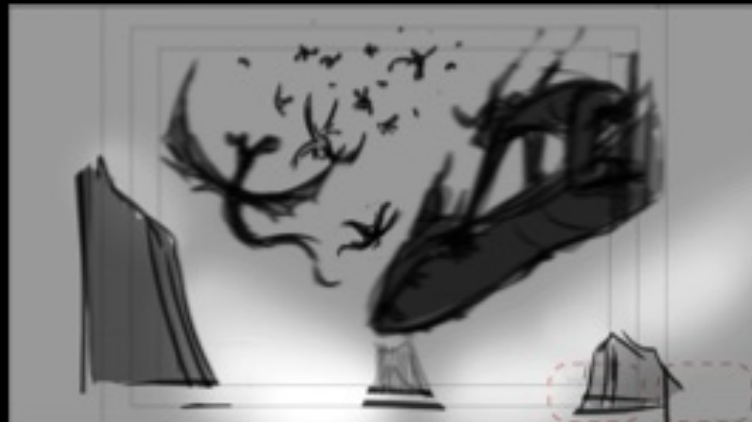

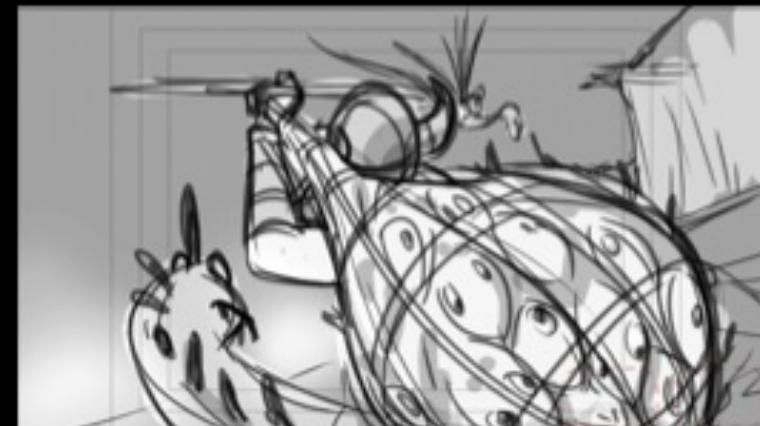

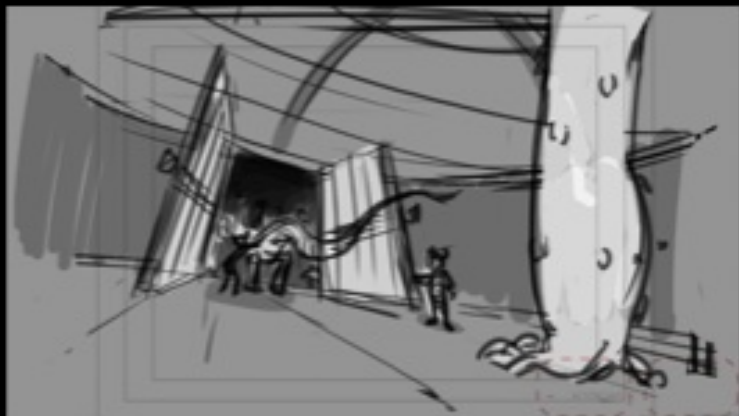

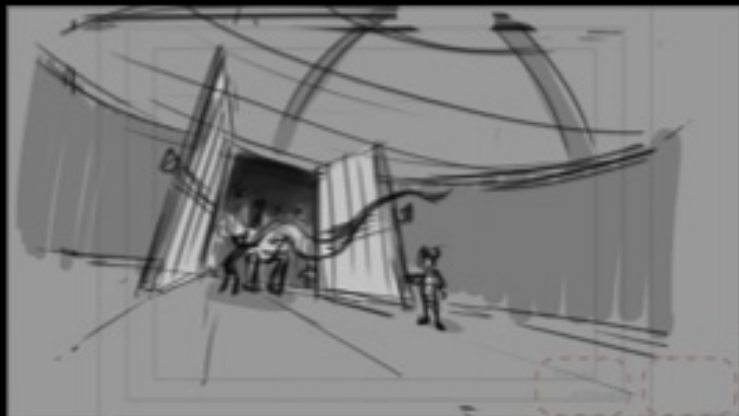

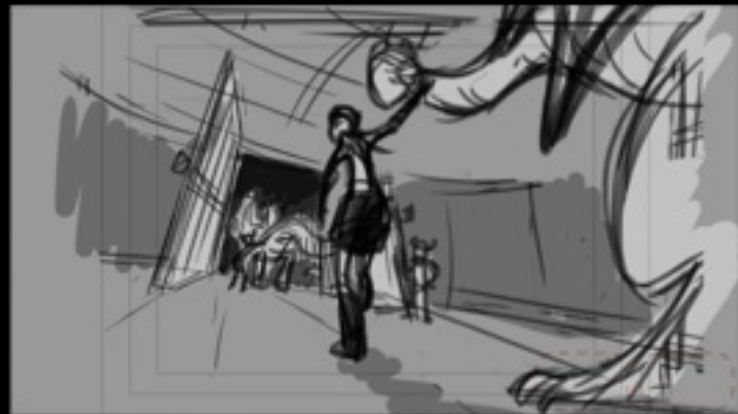

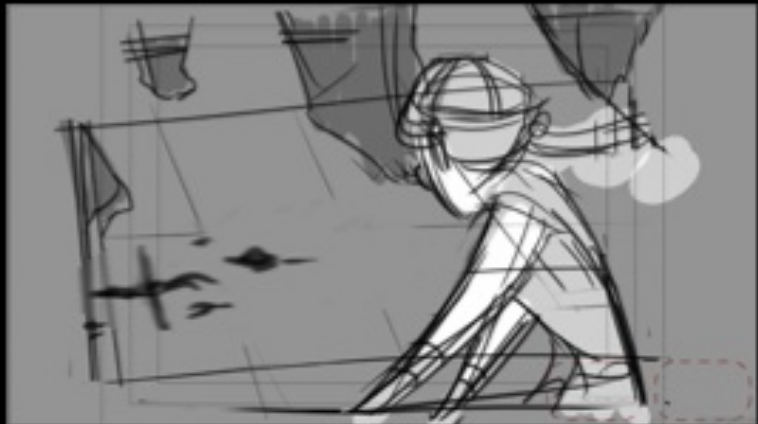

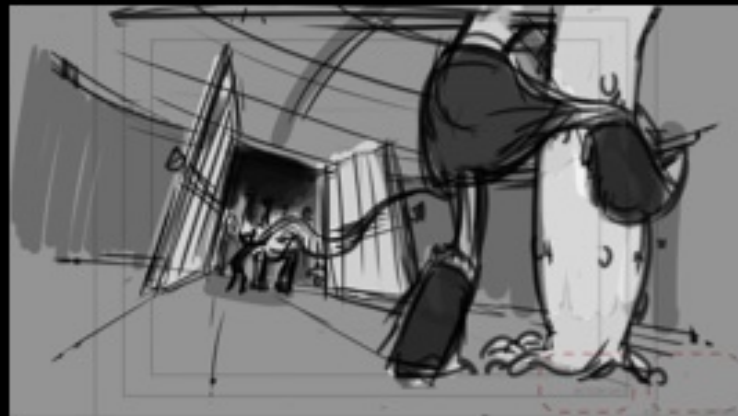

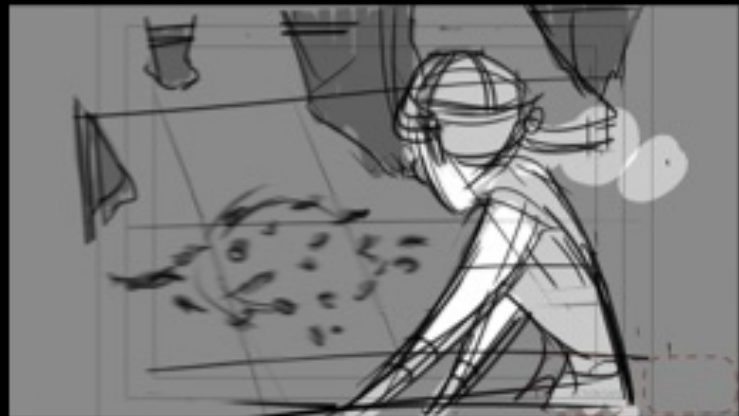

A dragons shadow passes overhead .

Astrid enters frame.

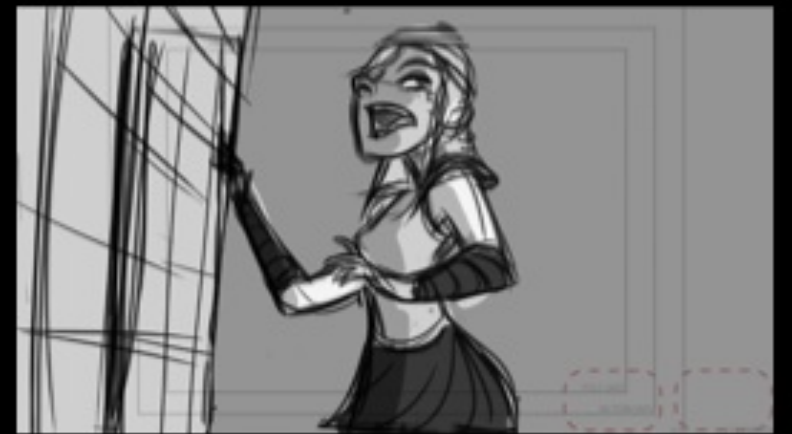

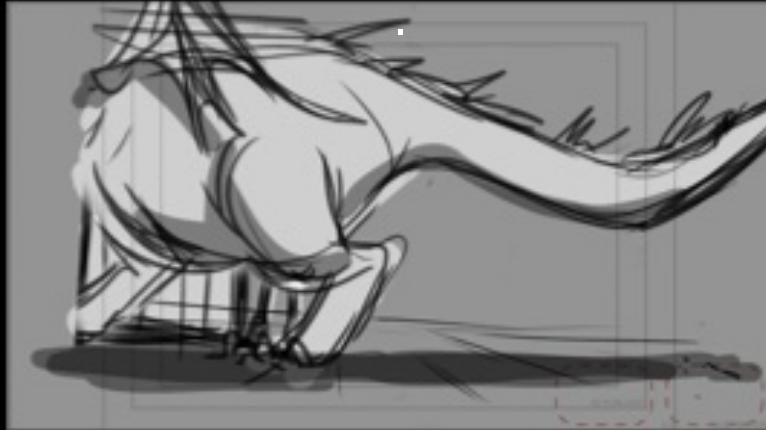

Now go!!!

It feels like...

That's what it feels like ...

Big sharp teeth...

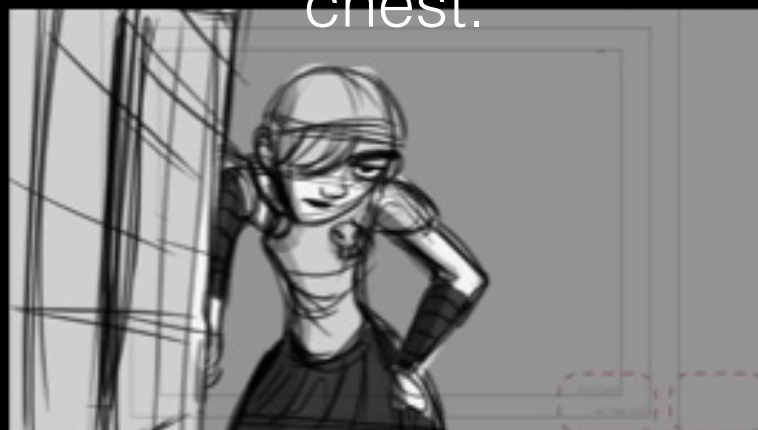

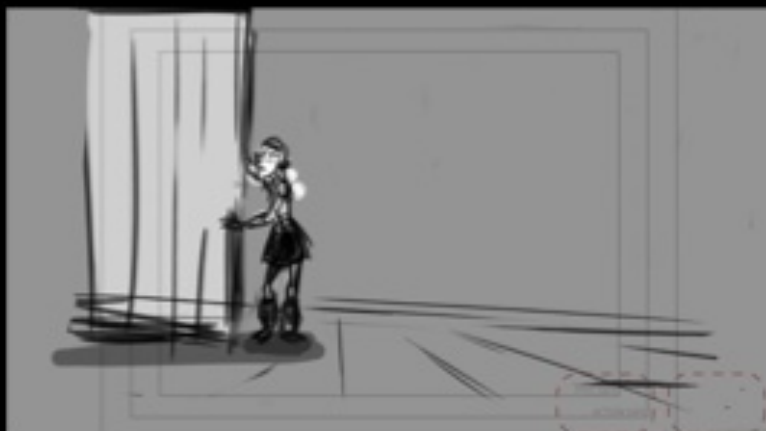

When your heart is breaking.

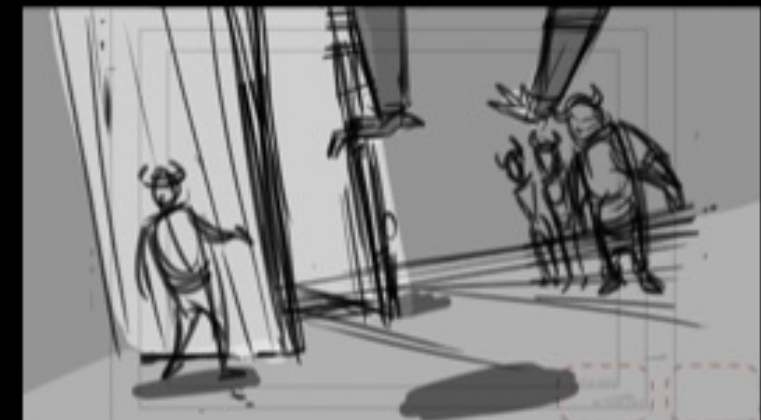

Are tearing at this thing in my chest.

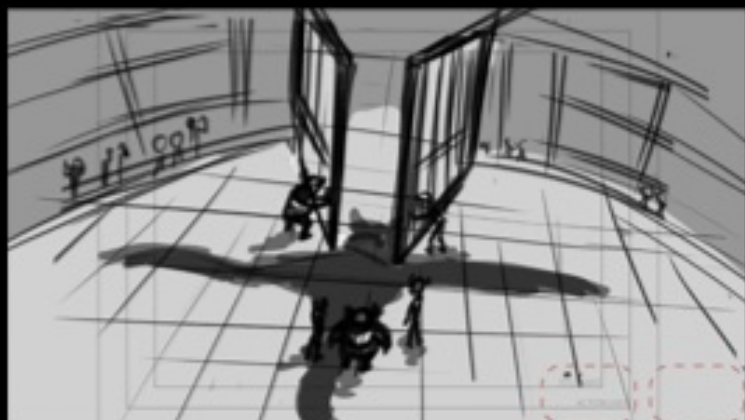

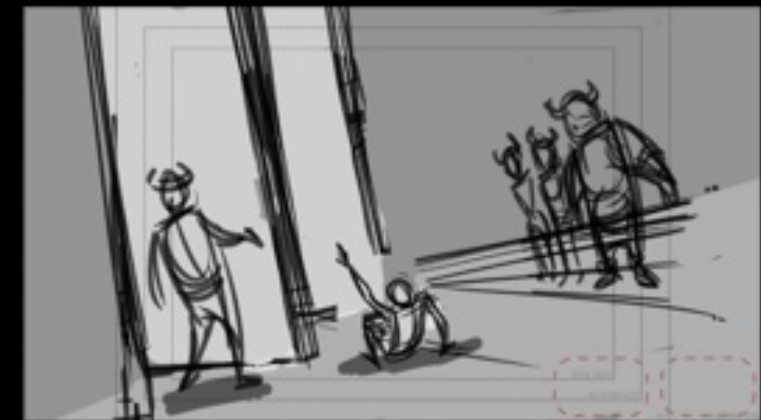

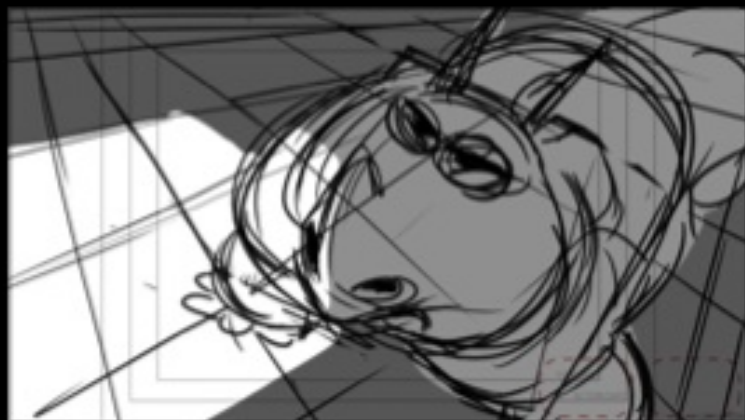

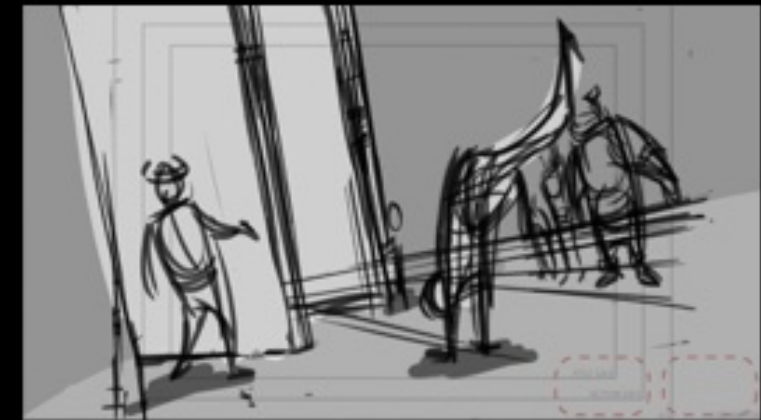

I don't have a heart.

Doors begin to close on dragons

Toothless flies over head.

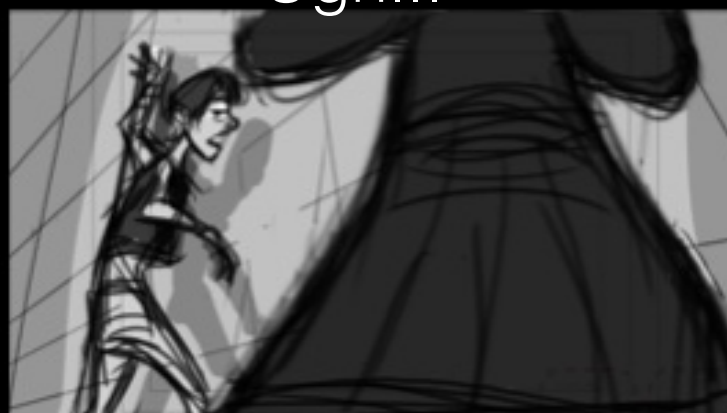

Or are we going behind his back.

What there going to do.

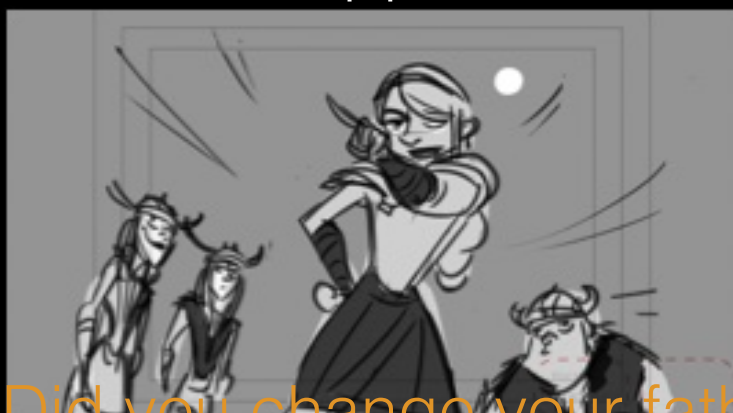

Ugh...

It's there nature.

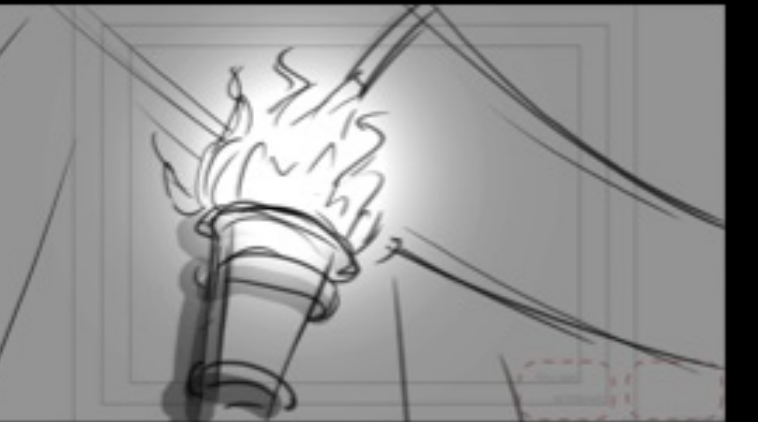

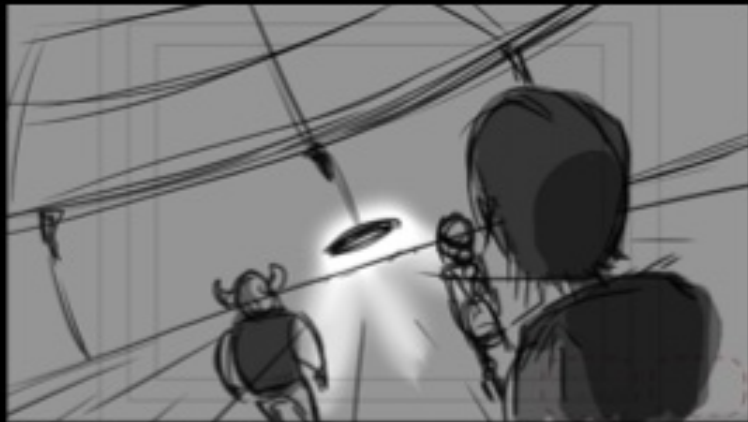

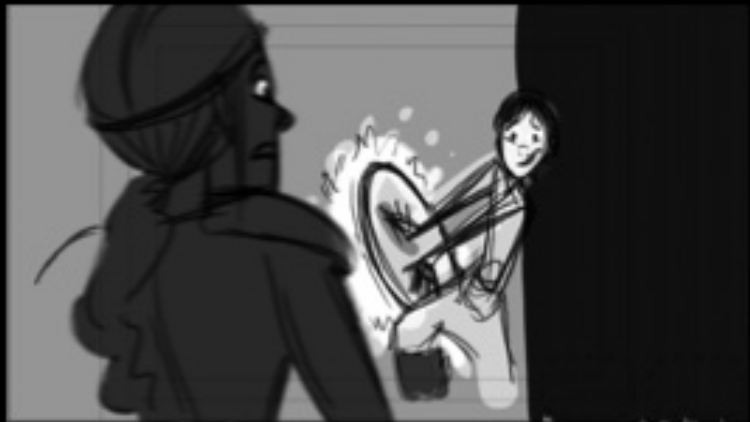

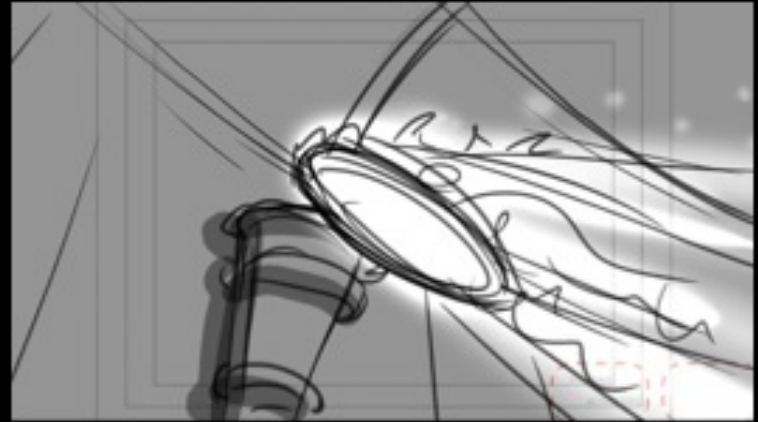

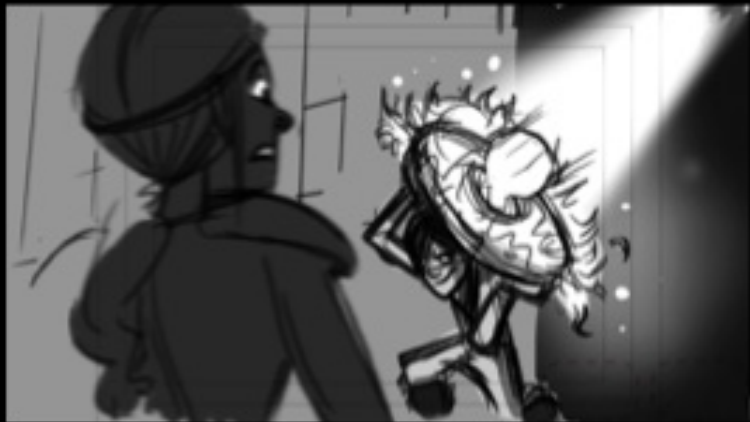

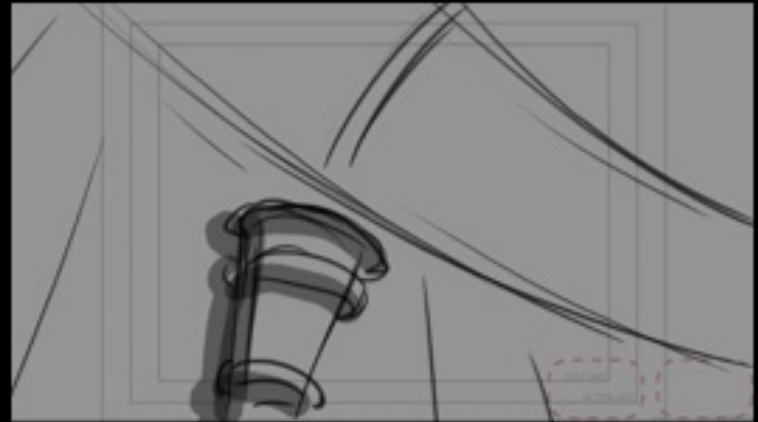

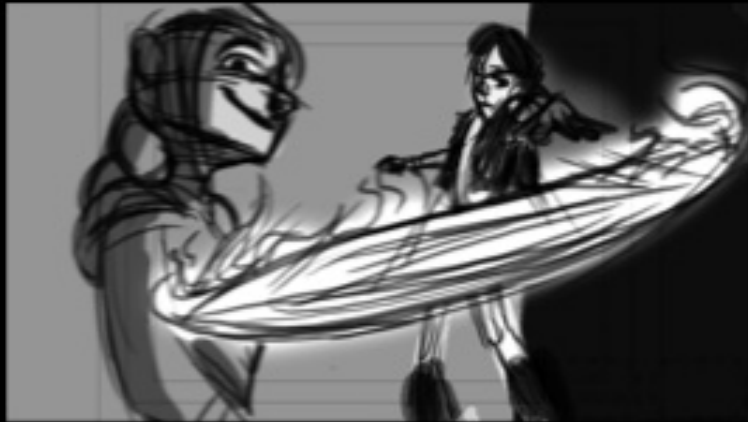

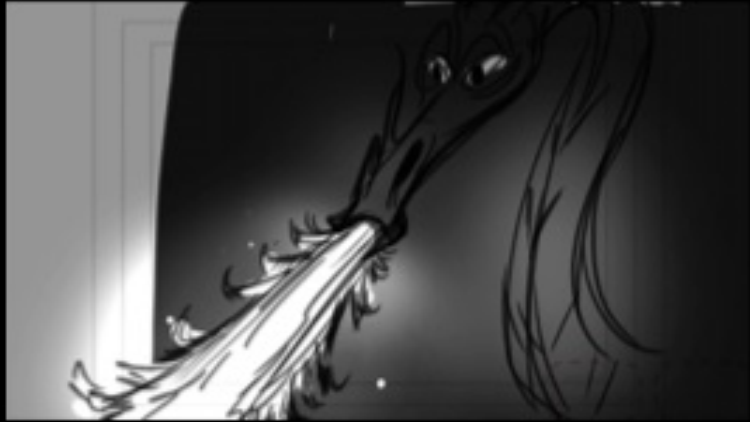

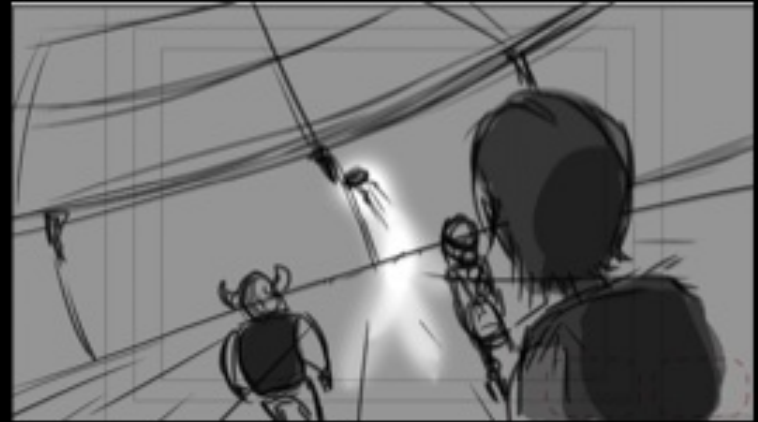

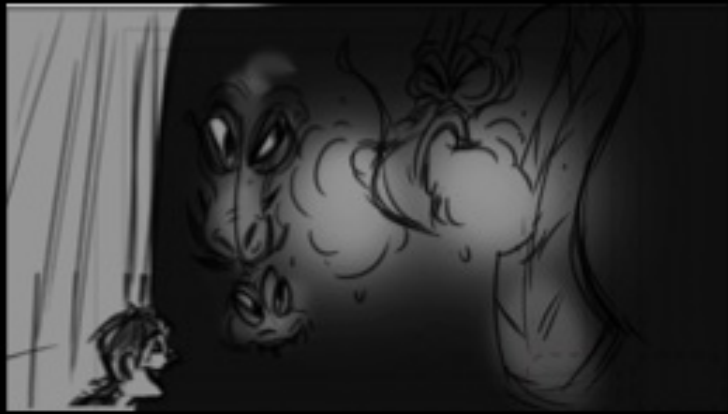

What happened?

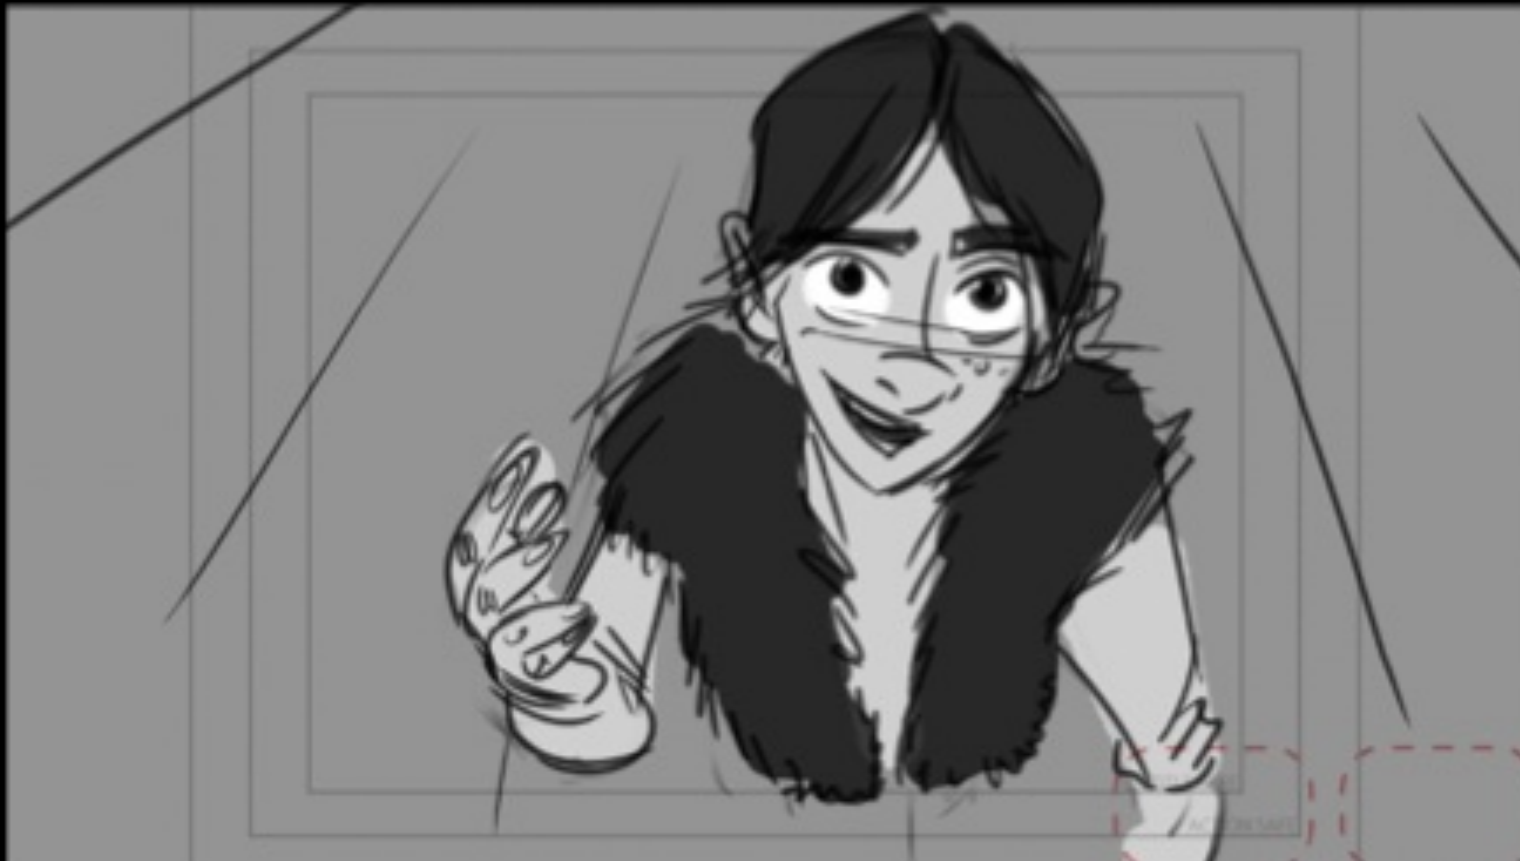

One of those.

Did you change your fathers mind?

The dragons are going to do.

We just have to learn how to use
it.
